Virtual Team Building
and Management
Training

COURSE LENGTH: 0.1 DAYS

When you're managing a virtual team, you find a different set of challenges than managing people in the same place at the same time. This 1-hour live, online workshop helps people develop techniques to build trust and understand cultures in a distributed and diverse team.

This is an instructor-led class that you can attend from home or your office. We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries across Australia, New Zealand, Singapore, Malaysia and Hong Kong - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**

MANAGING VIRTUAL TEAMS TRAINING 1-HOUR ONLINE CLASS - BUILDING TRUST AND CULTURAL CHALLENGES COURSE OUTLINE

FOREWORD

There was an estimated 500 million virtual workers in 2018, we expect that number to be in the billions either temporarily or permanently especially after the impact of Corona Virus (COVID19). With a global workforce, you are provided with a cost effective and talented pool of employees to draw from, which requires new leadership skills and management strategies to be successful.

Managing a virtual team has increased complexities because of the challenges posed by time difference and cultural differences and an absence of personal contact. This Virtual Team Building and Management training course provides participants the knowledge to overcome these challenges and succeed in creating a highly productive, distributed workforce.

This 1-hour course focusses specifically on building trust and managing diversity.

This course is designed to provide you with the most targeted, effective and convenient learning experience by letting you join a short, sharp and collaborative session facilitated online with a master trainer and other participants from Oceania.

In this session you will:

- Build and maintain trust with a distributed team
- Learn how to use diversity to bring people together
- Collaborate with other people facing similar scenarios

This course is in English and facilitated by an expert trainer with over 10 years experience.

OUTCOMES

After completing this course, participants will have learned to:

- Build and Maintain Trust with a diverse and distributed team
- Help remote team members develop a sense of ownership
- Make diversity a strength

This is a practical training class with take-aways that people can apply immediately.
