COURSE LENGTH: 0.1 DAYS

Situational Leadership and Building Trust 1-Hour Live Online Workshop is a Live Online Interactive workshop that provides participants with a practical and interactive training session that helps them develop awareness, skills and techniques to improve their Situational Leadership Skills and learn the foundations of building trust in their teams.

Participants in this course will:

- Learn about Leadership adaptable and situational leadership
- The importance of trust in teams
- How to create an environment that cultivates trust

The Live Online Courses conclude with an optional collaborative discussion facilitated by the trainer for people to share with peers and reflect on the learnings from the class.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs see our outcomes in the reviews.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
