**COURSE LENGTH: 0.5 DAYS**

PD Training's Assertiveness and Self Confidence Course teaches you how to become more confident and comfortable with personal assertiveness, how to cope with other people's negativity and how to respond when someone else is being overbearing or aggressive towards you.

In this empowering course, you also learn how to approach both difficult topics and topics you're passionate about with constructive approaches, including how to say "no" without being portrayed as "offensive," how to use body language effectively, how to express your views and disagreements positively and much more.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Most commonly we use Microsoft Teams or Zoom.

These courses are facilitated in English and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong, USA and Canada - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs.

**\*\*Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
