Professional  
Writing in  
Todays Workplace

**COURSE LENGTH: 1.0 DAYS**

When creating written communications in the workplace, it is essential that the details of the communication be correct, while the basic layout of the document is appropriate, and the ideas or information is presented logically and effectively.

The PD Training Business Essentials Writing course teaches participants how to assure the effectiveness of any type of business writing, whether its reports, proposals and even emails, and ensures these documents are written using the correct sentence structure, grammar and formatting.

Participants will learn key business writing skills like planning the document content, writing for the reader, various conversational styles, the use or avoidance of industry jargon and multiple types of document styling.

## BUSINESS WRITING ESSENTIALS COURSE OUTLINE

---

### FOREWORD

This workshop is focussed on creating well written business documents. The course reviews the basic principles that apply to all forms of writing and provides you with a framework through which you can improve your business writing.

The motto of PD Training is to 'Empower Improvement'. We seek to enhance people's work life by providing you with skills that you can utilise immediately back in your workplace. The best way to identify how to utilise these newfound writing skills, is to reflect on the activities that you performed throughout your training and implement them as soon as possible in the workplace.
