**COURSE LENGTH: 0.5 DAYS**

The Communication Skills training course from PD Training is one of our most popular courses and teaches you powerful concepts like how different personality types can influence communication, what your personal communication preferences are, and most importantly how to implement and use these skills immediately.

You'll learn strategies for overcoming common communication barriers as well as essential skills like active listening, effective use of voice and tone, investigative questioning skills and exploring the importance of body language and the non-verbal communications coming from others.

If you have ever wanted to communicate with more clarity and impact, in any of your relationships, then this course was designed for you!

This communication course is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day. This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs. See our outcomes in the reviews.
