COURSE LENGTH: 0.5 DAYS

Positive and negative feedback must be given at the right time and place using the appropriate tools and techniques. Feedback, if provided properly, encourages the receiver to improve performance, reduce errors, develop positivity and increase loyalty to the organisation.

The PD Training Giving Constructive Feedback Training Course provides valuable knowledge and skill development which will allow you to give feedback that boosts the performance and attitude of your employees.

This is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day.

This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs see our outcomes in the reviews.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
