COURSE LENGTH: 1.0 DAYS

All managers, team leaders, business owners and employees need to conduct difficult conversations at some time or another. Although difficult conversations cannot be avoided, they can be successfully managed to achieve the most positive outcomes.

Understanding, empathy and professional skill development are necessary qualities that help to keep you in control of difficult conversations before, during and after them; so that you can achieve the desired outcomes. Having a good understanding of your own personality type, as well as knowing how to best interact with other personality types, is a specific skill taught in the course.

This highly valuable and engaging course empowers professionals to handle difficult conversations with ease to achieve professional success and improve interactions amongst staff.

The Managing Difficult Conversations course by PD Training is now available throughout Australia including Brisbane, Sydney, Melbourne, Adelaide, Canberra, Parramatta and Perth and also via instructor-led online training.

MANAGING DIFFICULT CONVERSATIONS TRAINING COURSE OUTLINE

FOREWORD

Managing Difficult Conversations requires specialised knowledge and skill development, because these types of conversations can be quite challenging to manage without them. During this training course, participants develop an understanding of where, when, why and how to conduct difficult conversations.

The goal of this course is to empower professionals to be in control of a difficult conversation at all stages of the interaction, so that they can achieve the desired outcome. It is a necessary skill in the management of human resources, handling of difficult customers and team management.

OUTCOMES

After completing this course, participants will have learned to:

- ▶ Predict the results of a conversation
- ▶ Establish the intent of a conversation
