

MICROSOFT OFFICE 365 TRAINING COURSE PART 1

Generate a [group quote](#) today

COURSE LENGTH: 1.0 DAYS

This course teaches users of Office 365 how to learn basic tasks using the included apps and services. Experienced users who have little to no experience with Office Online, Skype for Business 2016, and Microsoft Teams, will also benefit greatly from this course.

Microsoft Office 365 Part 1 course introduces users to the new version of the software and reviews some of the changes in how the applications are accessed and the new user interface experience.
