Microsoft OneNote
2016

COURSE LENGTH: 1.0 DAYS

OneNote 2016 is Microsoft's note-taking and organisational application. The latest version incorporates a refined page hierarchy, better-searching options, automatic links to pasted content, task integration with Outlook, and a variety of new sharing options to make working with others easier.

This OneNote 2016 course, delivered by PD Training, covers different features of the interface, shows users how to print, covers some simple scenarios, and examines the basics of formatting. Learn key skills like creating a new OneNote notebook, customising the interface, entering information into OneNote from a variety of sources and using OneNote's collaboration tools.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across the USA, Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience.

**Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!
