COURSE LENGTH: 1.0 DAYS

This Microsoft Outlook training course builds on basic skills in Outlook and teaches students to work with some of the more advanced features of Outlook.

The PD Training Microsoft Outlook 2016 (Advanced) training course will help the students to expand upon their existing knowledge and learn how to use the more advanced features of Microsoft Outlook 2016.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across the USA, Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**
