CALL CENTRE TRAINING: SALES AND CUSTOMER SERVICE TRAINING FOR CALL CENTRES COURSE OUTLINE

FOREWORD

Whether we choose to embrace them or cannot stand being interrupted by their calls, call centres are a business element that is here to stay. The key is to train your staff to exceed customers expectations and create raving fans every time you engage with them.

This course will help call centre agents learn to make the most of their telephone-based work, including understanding the best ways to listen and be heard. Each phone interaction has elements of sales and customer service skills, which we will explore in detail throughout this energising and practical three-day workshop.

Note that we will use two acronyms interchangeably throughout the workshop:

- CSR: Customer Service Representative
- CCA: Call Centre Agent

OUTCOMES

By the end of this course, participants will be able to:

- Understand the nuances of body language and verbal skills, which are so important in conversations that do not have a face-to-face element.
- Learn aspects of verbal communication such as tone, cadence, and pitch.
- Demonstrate an understanding of questioning and listening skills.
- Acquire comfort with delivering bad news and saying no.
- Learn effective ways to negotiate.
- Understand the importance of creating and delivering meaningful messages.
- Use tools to facilitate communication.
- Realise the value of personalising interactions and developing relationships.
- Practice vocal techniques that enhance speech and communication ability.
- Personalise techniques for managing stress.
