SUPERVISING OTHERS TRAINING COURSE OUTLINE

FOREWORD

This Supervising Others Training Course will help new and existing supervisors to become more efficient and proficient at delegating, managing time, setting goals and expectations, providing feedback, resolving conflict and administering discipline.

All too often great team members are promoted to a supervisory role without consideration that supervising is a completely different skill set to that which made them stand out as part of the team. So this training course was designed to enhance their existing skill set with the additional skills required to properly manage others in a professional manner.

The Supervising Others Training Course helps people in supervisory roles to improve their skills, confidence and management abilities. This training will benefit new supervisors and anyone who wants to improve their skills in supervising others ensuring the highest level of productivity and team cohesion.
