## TRAIN THE TRAINER TRAINING COURSE OUTLINE

---

### FOREWORD

This high impact, high intensity train the trainer course is designed for individuals who need to hit the ground running and deliver professional training events in the workplace as soon as possible after course completion.

This is not a box ticking exercise for passing assessments, this is for people who want or need to develop the skills to train professionally in today's busy workplaces.

This 3-day **Train the Trainer** Training Program is designed to benefit employees who are being asked to design and/or deliver training in the workplace. Participants learn about the learning needs and personality types of adults, planning and developing different types of training, delivering and assessing the success of the training events and much more.
