 0.5 DAY COURSE

**Congratulations, your great cover letter and resume (CV) has won you the coveted interview. You have won the battle, but the interview is still to come. Now is not the time to relax, but rather time to prepare.**

**When you're attending an interview, what are the areas you should focus on?**

**The PD Training Job Interview Skills Training Course provides professional training in preparing you for your interview, in helping you to perform your best during your interview.**

**This course guides you through preparing for your job interview and making positive impact during the interview, so that you can secure that position. You will receive your own Personal Interview Coach report, which will assist you to develop your strengths, suggest types of roles that will likely be a good match for you and how to position yourself well in interviews. This course also includes mock interview role plays to provide you with the confidence to go win THAT job!**

**This dynamic and practical training course is now available online, live with one of our skilled trainers in Australia, New Zealand, Singapore, Hong Kong, Malaysia and USA.**

**Please click on the Public Class tab below to view our Job Search and Application Skills Training course schedule or click the In-House Training tab to receive a free quote for courses delivered to your team or group.**

## **What You'll Gain:**

**Job Interview Skills Training Course provides participants with the knowledge and the skills to find the right job and to succeed in getting it. During the course, participants learn what the various types of interviews are and how to prepare for each and make a great first impression. This course equips you with the skills to handle and succeed at interviews.**

## **Outcomes**

After completing this program, you will have the necessary knowledge and skills to search for the perfect job for you.
