4.0 DAY COURSE

The REACH Ecosystem is a unified people development ecosystem that is simple to use, easy to implement and helps you keep the learning momentum going within your organisation.

The REACH Ecosystem simplifies, improves performance and identifies development opportunities for individuals, team and organisations.

This cloud based innovative set of tools provides infinite use of psychometric profiles, 360's and culture surveys. It allows for instant action to improve growth with unlimited use of Corporate Training and personalised Coaches Packs.

The REACH Ecosystem is accessed on a smart subscription model that reduces costs by about 80% compared to using multiple individual tools that only provide a piece of the complete professional development solution.

This engaging and surprisingly fun training course is available now Live Online with your expert facilitator

This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English, and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities.

Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs see our outcomes in the reviews.

****Please note, these classes run to a very tight schedule, please follow the invitation and join the class 10-minutes prior to commencement so you are ready to participate and don't miss a minute!**

What You'll Gain:

The **REACH Ecosystem Practitioners** Training Course is designed for HR, Learning and Development and OrgDev Specialists who want to extend their REACH skills to get the

maximum potential out of their **REACH Ecosystem.**

REACH Ecosystem Practitioners Training Course takes participants though five engaging REACH Masterclasses that culminate in a REACH online exam resulting in a global certification as a **REACH Ecosystem Practitioner** from the OrgDev Institute.

This is a fantastic training course for not only professionals who want to improve their skills but also business consultants who want to build their business with highly effective and professional tools.
