Unconscious Bias Training - 3hours

The Unconscious Bias training course from PD Training teaches you what Unconscious Bias is in the Workplace, the impacts these biases can have and the approaches to take to reduce unconscious bias.

If you have ever wanted to understand what unconsisious bias is and how this can affect everyday situations, then this course was designed for you!

This course is a practical class that is suitable for all audiences and provides people with the tools that they can apply on-the-job (and in other contexts) the very next day. This is an instructor-led class that you can attend from home or your office.

We use secure Video Conferencing with interactive features such as live polling, screen sharing, whiteboards, live chat and breakout sessions. Please discuss your preferred platform, most commonly we use Microsoft Teams, Skype for Business, Webex or Zoom upon request.

These courses are facilitated in English and are open to people from different industries in all countries especially across Australia, New Zealand, Singapore, Malaysia, Hong Kong and Papua New Guinea - this is a short but powerful learning experience that gives you global collaboration opportunities. Our trainers and processes have been refined to give you a personalised learning experience where it is specifically targeted to your needs.
